OUR PRODUCTS

PRUNES ARE A NATURAL SOURCE OF HEALTH

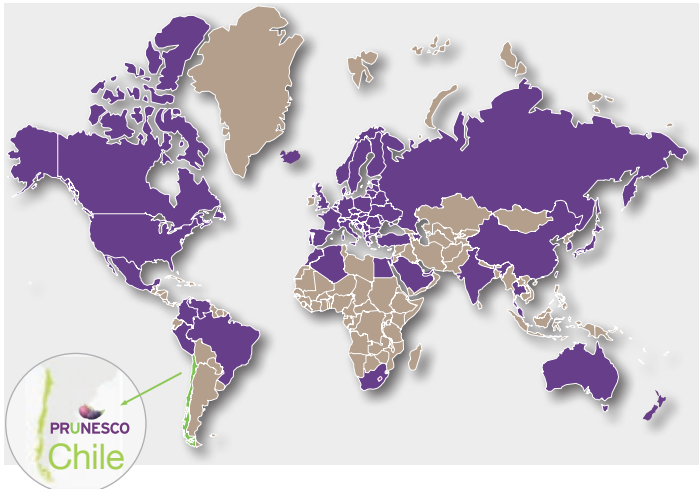

Chile has a unique climate, with natural sanitary barriers, such as the andes mountain range, the pacific ocean and the atacama desert, that protect our crops against diseases and infestations.

OUR MARKETS

WE EXPORT TO OVER **50 COUNTRIES**

20% OF CHILEAN PRUNE EXPORTS

Our largest export markets include: China, Corea, Japón, Germany, Australia, Italy, Denmark, Finland, USA, Russia, Canada, Colombia, Mexico, Scotland, Norway, and Sweden.

QUALITY SERVICE AND GUARANTEE

PRUNESCO represents quality, service and guarantee in every aspect of the production and commercial operations. This has given us recognition for our firm commitment and seriousness as a global supplier in the prune industry.
